VERSE 1

She has to go away,
No chance for her to stay,
And every night and every day,
I'll be bound to say:

CHORUS

Girl, I miss you so, oh, please come back to me,
Girl, I love you so, don't you know the nights are lonely.

VERSE 2

I need to feel your touch,
Oh I want it so much,
And when we kiss, we become one,
That's why I sing this song!

CHORUS

Girl, I miss you so, oh, please come back to me,
Girl, I love you so, don't you know the nights are lonely.

BRIDGE

Love is hurting me,
So many tears I've cried,
I cannot stand to wait for you,
I need you by my side!

CHORUS

Girl, I miss you so, oh, please come back to me,
Girl, I love you so, don't you know the nights are lonely.
