

ROCK THE WORLD - Peter Sax

*Written by Peter Sax and Harald Hauser
Published by Music Visions GmbH*

VERSE 1

Oh boy, you're driving me wild,
I never felt so good before you stopped and smiled.
You made, my wildest dream come true,
I never thought, there's a boy like you.

VERSE 2

It feels so good, it feels so right,
Babe, I really want you by my side.
When I see your face, I start to smile.
Baby, baby, I love your style!

CHORUS

We gonna rock, rock, rock the world,
We gonna celebrate this night forever,
You're my guy and I'm your girl,
We gonna rock this place together.

Oh uh oh oh, We gonna rock the world,
Oh uh oh oh, We gonna celebrate this night,
Oh uh oh oh, Oh baby, I'm your girl,
Oh uh oh oh, We gonna rock this place together.

VERSE 3

Oh boy, we reach for the sky,
Together, forever, we will fly so high.
I would give anything,
If baby I could hold you close and touch your skin.

VERSE 4

It feels so good, it feels so right,
Babe, I really want you by my side.
When I see your face, I start to smile,
Baby, baby, I love your style!

CHORUS

We gonna rock, rock, rock the world,
We gonna celebrate this night forever,
You're my guy and I'm your girl,
We gonna rock this place together.

Oh uh oh oh, We gonna rock the world,
Oh uh oh oh, We gonna celebrate this night,
Oh uh oh oh, Oh baby, I'm your girl,
Oh uh oh oh, We gonna rock this place together.
